Microdermabrasion

Timewise Microdermabrasion set has been a top seller since it launched. The two part system goes to work immediately to fight fine lines, makes pores look smaller and revitalize skin so it looks noticeably softer and smoother

Step 1- Refine

- An advanced exfoliator that immediately energizes the skin to reveal a more radiant, healthy-looking surface.
- Feeds and nourishes skin from below
- Reduces appearance of pores and acne scars
- Brings oxygen to top of skin to stimulate circulation
- Aluminum oxide crystals that are perfectly rounded
- Takes off a complete layer of skin
- Microwave results

Step 2- Replenish

- Immediately absorbed into the skin to instantly smooth and soften.
- Feeds and nourishes skin from above with the triple tea complex
- Aids rejuvenation process
- Soothes the skin to help bring it back in balance

Night Solution

- A unique delivery system of encapsulated vitamins and antioxidants
- collagen-enhancing peptides help fade away deep lines and wrinkles.
- Anti aging peptides
- Smooth's and Firms skin
- Tiny nutribeads burst open each time you pump
- “face lift in a bottle”
- Pores are most open when you sleep

Day Solution

- Sunscreen SPF 25
- Think of it as a veil of defense.
- Helps prevent lines and discoloration before they occur by blocking damaging UVA/UVB rays.
- Calming peptide help relax expression lines.
- Nourishing Botanicals help energize the skin cells
- Light reflecting particles

Satin Lips

Lips have an extremely thin outer protective layer. As the body ages, the already thin layer becomes thinner. To compound the situation, lip skin does not have sweat or sebaceous glands. Without the usual protective layer of sweat and body oils, the lips dry out faster, become chapped more easily, and can age faster than other areas of the skin!

Balm

- Moisturizes for up to six hours
- Vitamin A & E derivatives
- Leaves an invisible barrier to keep lips hydrated

Mask

- Effectively exfoliates dead surface skin cells
- Gentle exfoliation with miniature beads

Firming Eye Cream

- Skin around the eyes has fewer sebaceous glands and less collagen and elastin than skin elsewhere on the face
- Area around eyes is 6 times thinner
- As people age fat pad beneath dermis diminishes
- Firms
- Brightens
- Provides intense moisturization for eye area
- Minimizes fine lines and wrinkles
- Soothing botanical extracts that prepare the skin for moisturization
- 100 saw visible reduction of roughness/dryness around eyes
