

Deep Cleansing CHARCOAL MASK

Skin has a natural exfoliating process. Sometimes this process doesn't work as effectively as it should, so oil, bacteria and impurities get trapped inside pores.

The Clear Proof® Deep-Cleansing Charcoal Mask helps remove the dirt and impurities that can contribute to problem skin and offers a gentle solution for supporting a clearer-looking complexion.

- The formula delivers a gentle cooling sensation as you smooth the formula across your skin.
- Extracts of Rosemary and Peppermint are antimicrobial, antibacterial and antiseptic, protecting the skin from bacteria and infection. These extracts also deliver a fresh scent to awaken your senses.
- Honeysuckle works as an antioxidant so it is also protecting the skin; preventing bacteria and infections.
- Honeysuckle and Navy Bean extracts work to target the appearance of skin discoloration and help soothe skin.
- Small amounts of Salicylic Acid work to dissolve dead skin by mildly exfoliating and purifying the skin, to prevent pores from clogging.
- Formulated with the absorbent power of Kaolin and Bentonite Clays, this mask instantly absorbs excess oil and reduces shine.
- When charcoal goes through a special heating process, it becomes activated, making it more porous. Activated Charcoal is known to absorb up to DOUBLE its weight in impurities. It digs up to 3 layers deep, acting as a magnet as it pulls out impurities and unclogs pores, taking skin beyond everyday clean. As a result, your complexion looks clearer and healthier, and pores appear minimized.
- This mask dries as it goes to work gradually becoming lighter the longer you wear it.
- For all skin types
