

Satin Hands Raffle Script

"Hi my name is Stephanie, and I'm with Mary Kay Cosmetics! We're giving away this beautiful FREE Satin Hands Set to 1 LUCKY winner at the end of the month!!! But we're also giving away 100 FREE facials and makeovers to help support women in domestic violence shelters.

It's totally free to enter and you can win either the Satin Hands Set or 1 of our 100 free facials. Would you ladies like to enter to win?"

Once they say "yes" here is how you get more names instantly.

"Great I'm so excited are there any other ladies in the back that would like to enter to win? If you ladies win the Satin Hands Set maybe you can keep it here at the office/salon so you all can enjoy it together. Or you can just keep it for yourself as a holiday gift wink wink."

Now you go from having 1 entry to multiple entries because the girls take the raffle tickets to the ladies behind the closed doors to win as well!!!
